

Nikhil Ramaiya:

MD is the Vice Chair for Education, Chief of Oncoradiology, and Interim Division Chief of Abdominal Imaging at University Hospitals Cleveland Medical Center/Case Western Reserve University.

Previously at Dana Farber Cancer Institute and Brigham and Women's Hospital, Dr. Ramaiya's over 200 publications focus on imaging features of multiple common and uncommon oncologic diseases.

Additionally, he was an early pioneer and has become an expert on oncologic drug-related toxicities such as Anti-PD-1 related pneumonitis and anti-VEGF TKI's associated complications.

His current goals are to expand the boundaries of oncologic evidence-based medicine and drive education of cancer imaging.
